

SAMUEL STESNEY

UI/UX DESIGNER

Imaginative UI/UX Designer, adept at using lean UX and design tools to deliver creative and user-centric products. Experienced in customer service and client interaction with 4+ years of freelance graphic and web design.

EXPERIENCE

Urban Mountain Apparel | UI & graphic design 4/20-present

- Founded and designed an e-commerce store.
- Created the website, logo, brand guidelines, products and copy
- Maintained social media presence on Instagram, Twitter and Facebook

CooHills | UI design, photography 9/18-3/19

- Redesigned old, outdated website and implemented a streamlined process for keeping the events calendar and daily menu changes up to date with ease.
- Took staff photos for the new website and assisted in taking food and event photos.

Kinzie Industries | UI & graphic design 8/13-12/16

- Build sister-company website to promote new certifications and services, which increased inquiries by over 20%.
-

VOLUNTEER EXPERIENCE

Hopeward Bound UI & graphic design 1/21-present

- Designed branding material
 - Website coming soon
-

OTHER PROJECTS

LookBook | UX&UI design 12/20-present

- Created and designed responsive web app that helps photographers and models find each other
- Performed user research, interviews and personas while practicing Lean UX
- Designed user flows, wire frames, icon and prototypes

Hobbyist | UI design 2/21-3/21

- Created and designed mobile hobby learning application for iOS and Android devices that gives users a one-stop-shop for free, curated tutorials
- Performed user testing and rapid prototyping
- Designed user flows, wire frames, icons and prototypes
